

Friendship Questions:

1. What are the benefits of having friends?
2. What can be hard about having friends?
3. Where can we meet potential friends?
4. How do we keep friends?
5. What can friends and other people add to our existence?
6. What do you have to offer to people? Why should someone be your friend?
7. What are your friendship deal breakers?
8. Is there anything a friend could do to make it up to you / become your friend again?

**Consider the friendship peer-a-mid - it's not always we ARE friends or we ARE NOT friends.
You may choose to stay friends as long as you define your borders, values and self-worth**
