

Unicorn Haven's Online Class Rules and Expectations

1. [Time] is the check-in time. Greetings/Ice Breaker for classmates. Take turns saying hello.
2. [Time] Mrs. Barbora or Mrs. Cher will go over the rules and expectations for the class.
3. Be sure to allow the teachers to speak when needed.
4. Do not speak over others.
 - Raise your hand if you need to say something. (below are the two ways you can raise your hand.)
 - When raising your hand, put your hand in front of your face (not touching)
 - Use the Alt key + Y to raise or lower your hand.
5. Bathroom rules
 - Do not go to the bathroom with your phone or device. Please leave it and put your phone on mute until you return. (Mute is the first image in most of the devices that use Zoom. Look for the mute icon. You can also mute by using Alt + A key at the same time.)

- Before leaving hit ALT + H keys to chat and say, I am going to the bathroom. I'll be right back.
 - When you are done, unmute. (Alt + A) No need to say you have returned. We will be able to visually see you.
6. Be kind, and follow all the rules.
 7. Have Fun!
